HURRICANE KATRINA RELIEF EFFORT – DEPARTMENT SKILLS SURVEY

On September 6, 2005, on a motion by Supervisor Molina, your Board directed the Chief Administrative Office (CAO) to conduct a survey of skilled county personnel and/or equipment that is or can be made available to provide specialized assistance for Hurricane Katrina disaster relief efforts. The Board instructed County departments to submit the survey information to the Office of Emergency Management (OEM) and for OEM to forward the results to the Governor's Office of Emergency Services (OES).

On September 14, 2005, the results of our survey were forwarded to the OES Regional Emergency Operations Center Plans Section for use in future OES Hurricane Katrina relief planning efforts. Attached is a summary of the survey results that were forwarded to OES.

OES indicated that they will review the results of our survey and advise us of their future Hurricane Katrina relief planning activities. You will be informed if OES subsequently requests County resources based on our survey.
